

## RESOURCES FOR FROST/FREEZE PROTECTION

**Information updated as of January 14, 2012.** The \*starred, boldprint companies on this list are members of the NC Strawberry Association – we encourage you to support our members. Manufacturers listed also sell directly to growers or will put you in contact with their local distributors. If you sell frost/freeze supplies and are not listed, or if you buy from another source we should list, please contact NCSA.
